

Back Reception Room with large bay window and French door leading to garden (not Moray type). Front Reception Room has large bay window

Lairgs pay all legal charges and stamp duties in connection with the conveyances and mortgages prepared by our solicitors. Also the Building Society survey fee of Societies we are in treaty with.

The Local Council very rightly refuse to sanction the erection of portable garages. Nothing so easily spoils the appearance of an estate as a number of unsightly corrugated iron or wood erections. We have erected a specimen brick-built garage to meet the Council's approval, and this can be built at an extra charge of from £40.

In all types Electric Plugs suitable for reading lamp, vacuum cleaner and wireless, are fitted. In the Kitchen, in all types, except Tain and Moray, a switch plug for an Electric iron is also provided.
