

A LAING 'DE LUXE' KITCHEN

This illustration shows a corner of the unique "De Luxe" Kitchen in the Jubilee House and in several types of houses on Laing Estates. Therein is seen the large modern Cabinet which has so many attractive features that it will satisfy the most modern of housewives and dispel forever the old idea that there is no pleasure in the kitchen.

A pull-out table with folding double seat at one side, taking no floor space but instantly available for meals, a "put-away" ironing board, ample cupboard for china, a sensible ventilated larder, cutlery drawers, cupboards for stores and many other wonderful "notions." In addition, the kitchen has an enamelled gas copper, an enamelled independent boiler for the hot water system, draining boards to deep sink, and a red-tiled floor. The room is well lighted and has a tiled recess for gas stove.

BATHROOMS have tiled Dado all round, Marbled front Enclosed Bath and Chrome plated taps.

ELECTRIC SERVICES, etc. Every house is fitted with electric points and fittings free of charge. Gas points are provided near fireplaces in the two Reception Rooms, and to each of the Bedrooms and the Bathroom; Gas poker point in the kitchen. All outside woodwork painted with Glossy Paint; interior painted or stained; walls papered or distempred to choice. There is a good selection of decorations and choice of mantelpieces and fireplaces.
