

11. There will be an open meeting of the Group Movement at the Rectory, under the leadership of the Rev. R. Rowlands, on Friday, January 18th, at 8.30 p.m., when all those interested will be welcome.

12. The Bell Ringers, under the leadership of Mr. G. Hughes, the Master of the Tower, rang a peal on Saturday, December 22nd, in commemoration of the tenth anniversary of the Rector's Institution to this parish.

It is interesting to know that four out of our peal of eight bells are the original bells hung in 1632 in the tower of the brick church which was consecrated in that year by Archbishop Laud when he was Bishop of London.

14. The Sale of Work and Garden Fête is one of the important events in the life of our church and parish, so please book the date at once. Barring any unforeseen circumstance the Sale will be on Thursday, June 20th. Will all our generous helpers begin to get busy in preparation for this annual effort on behalf of Home and Overseas Missions and Local Needs.

15. The Rector will be away for the two Sundays, January 27th and February 3rd, when he is taking Chaplain's duty at Klosters, near Davos.
