## EDITORIAL

We hope you like our new cover design by Mr. Walker. See him if you don't. This year we have included a few pages on the newly formed Old Students' Association. We should like as many Old Students as possible to take advantage of the invitation contained in Mr. Olphin's letter and ask all who read this Magazine to bring it to the attention of any Old Students they may know.

We thank those who have contributed to the Magazine and regret that, owing to lack of space, we have not been able to publish all the articles that were submitted. We should also like to thank the generous parents and children who paid more than the *Minimum* 1/6d. per copy. Who knows? We may break even one day.
